

Vets at home
Imagination Productions – October 2015

TIMECODE	NARRATIVE
10:00:00	Woman: Okay good girl.
10:00:01	VO: There are 58 million pets in the UK.
10:00:07	VO: They give us love, companionship and affection. They also make us laugh.
10:00:12	
10:00:16	VO: We love our pets, and they love us.
10:00:20	VO: But there's one thing that makes our usually docile friends well and truly freak out.
10:00:33	VO: Our beloved pets hate going to the vets.
10:00:36	Liz: He was biting, he was maiming, he was spitting.
10:00:40	Katie: It just fills me with dread.
10:00:41	Sue: [& Eff] There's been times when he's almost broken my fingers.
10:00:44	VO: But for the country's most petrified pups and scaredy cats; a possible answer...
10:00:50	VO: There may be a way to cure Pets who hate Vets.
10:00:56	VO: Pets and Vets. They just don't get along.
10:01:02	VO: Some of our furry friends seem to want to make a trip to the vets... as unpleasant as possible.
10:01:09	VO: Whether it's getting them there.
10:01:14	VO: Or the consultation itself.
